

Biography: Lisa Arneson Westbrook
Enforcement Division
Texas Commission on Environmental Quality

Current Position

Lisa Westbrook is currently a Compliance Monitoring Coordinator for the Enforcement Division at TCEQ where she works with wastewater facilities to ensure compliance with their Texas Pollutant Discharge Elimination System (TPDES) permits. She conducts reviews of self-reported data, initiates enforcement, and provides technical assistance to wastewater systems regarding their permit requirements and their utilization of NetDMR.

Prior Experience and Education

Prior to her current position, Lisa joined the TCEQ in 2013 within the Enforcement Division as an Enforcement Coordinator. Lisa Westbrook holds a Bachelor of Science in Marine Biology from Texas A&M University at Galveston and a Master of Science in Environmental Toxicology from Texas Tech University.
